DFRDB UPDATE – OCTOBER 2022

Federal Court Hearing

Justice Perry has still not yet handed down her decision.

Petition to the House of Representatives

I draw your attention to [Petition EN4548](#) titled “Whole of Life Reductions to DFRDB Retirement Pay”.

ADFRA did not initiate this Petition as it does not cover all our concerns. However, please sign it because we must demonstrate to the House of Representatives that DFRDB recipients are still around in numbers.
